- Oberstdorf is the right place -**

Welcome to our caravan site in the heart of Oberstdorf.

Situated in a sunny location, we offer you 200 spaces with a fantastic view of the Allgäu Alps throughout the whole year. Surrounded by the summits of the Rubihorn, Nebelhorn and Schattenberg mountains, you will find the perfect starting point for numerous activities in the immediate vicinity.

The ground is hard and well drained and is equipped with electricity, water, toilets and showers. There is rubbish disposal and you can buy gas. A supermarket with bakery for your daily needs is located right next to the premises.

The site is quiet and centrally located-near the town centre, Nebelhornbahn, ice-skating arena, swimming pool and more... All within a few minutes walking distance.

It is a good place to start your skiing, hiking, cycling or other sport activities. You do not need your car.
